Reason for Vote.

I regret to vote against the appropriation for a new building at the Stephen F. Austin Teachers College at Nacogdoches. This institution is within twenty miles of my home, and local considerations would justify my voting for this appropriation, but the financial conditions of the State will not justify erecting any new buildings for educational institutions. I have consistently voted against all the appropriations for these buildings.

CONFERENCE COMMITTEE REPORT ON HOUSE BILL NO. 159.

Mr. Martin submitted the following conference committee report on House bill No. 159:

Committee Room,
Austin, Texas, April 30, 1931.

Hon. Edgar E. Witt, President of the Senate; Hon. Fred H. Minor, Speaker of the House of Representatives.

Sirs: We, your conference committee heretofore appointed to adjust the differences between the Senate and the House on House bill No. 159, being an act to authorize the county commissioners court in certain counties to increase the ex-officio salary of sheriffs in said counties, beg leave to report that we have agreed upon the differences between the two houses and in lieu of the original bill we have prepared and recommend for passage a substitute bill, which is hereto attached.

We beg to report that in adjusting the differences we have only rewritten the language of the bill so as to meet, in our judgment, the decision of the Supreme Court in a recent case, holding invalid certain local laws.

We further report that the bill as recommended by us will, at this time, apply only to the counties of Goliad and Coleman and that it is so worded as to meet the objections to local bills pointed out by the Supreme Court in a recent holding by that court.

We further report that the maximum amount which might be allowed to sheriffs in these counties for ex-officio salaries is \$3000 per annum, the bill being so worded as to give to the commissioners court of said counties a discretion in fixing the amount to be allowed.

We therefore recommend that the attached substituted bill be passed, and that this report be in all things adopted.

STEVENSON,
WOODUL,
MARTIN,

H. B. No. 159. Martin.

A BILL

To Be Entitled

An Act to amend Section 1 of Chapter 90, Acts of the Forty-first Legislature, First Called Session, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Section 1, Chapter 90, of the Acts of the First Called Session of the Forty-first Legislature, be amended so as to hereafter read as follows:

"Section 1. In all counties having a population of not less than ten thousand and fifteen (10,015) and not more than ten thousand and forty (10,040) as shown by the United States census of 1920 or any subsequent Federal census and in all counties having a population of not less than ten thousand and eighty (10,080) and not more than eleven thousand and ten (11,010), as shown by the United States census of 1930, or any subsequent Federal census, and in all counties having a population of not less than twenty-three thousand six hundred and sixty-nine (23,669) and not more than twenty-three thousand seven hundred

and fifty (23,750) according to the Federal census of 1930, or may hereafter have a population according to any subsequent Federal census of not less than twenty-three thousand six hundred and sixty-nine (23,669) nor more than twenty-three thousand seven hundred and fifty (23,750), the commissioners court may allow the sheriff for summoning jurors in district or county courts serving all legal notices to overseers of roads and for all other public service for which compensation is not otherwise provided for, an ex-officio allowance of not exceeding \$3000 per annum, the amount to be fixed by the commissioners court and to be paid out of the general fund of the county.

"Sec. 2. The fact that the sheriffs in the counties affected by this bill are not now adequately compensated for their services, and the further fact that this act makes provision for payment of adequate compensation by the commissioners court of counties concerned, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house, be and the same is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted."

On motion of Mr. Martin, the conference committee report was adopted by the following vote:
